Introducing

THE HALLMARK LINE

WE present to the trade the HALLMARK LINE. It is conceived and created for the needs of the modern home.

¶ As *Sterling* is the hallmark of the highest grade Silver, CAST BRASS is the highest standard of value for Lighting Fixtures.

¶ Only CAST BRASS will lend itself to the lasting beauty and harmonious blend of colors of our HALLMARK GOLD and HALLMARK SILVER finishes. These are reproduced in full colors on pages 2 and 3.

¶ The HALLMARK line reaches you completely wired, assembled and packed one in a carton.

¶ We carry a complete line in stock of both finishes.
